

Dense linear problems  
and decompositions

DenseDecompositionBenchmark

```
graph LR; A[DenseDecompositionBenchmark] --> B[Dense linear problems and decompositions];
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text 'Dense linear problems and decompositions'. The box on the right is gray with a black border and contains the text 'DenseDecompositionBenchmark'. A black arrow points from the right side of the gray box to the left side of the white box, indicating a relationship or flow from the benchmark to the problems and decompositions.
