

Dense matrix and array
manipulation

TopicAliasing

```
graph LR; A[TopicAliasing] --> B[Dense matrix and array manipulation];
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text 'Dense matrix and array manipulation' on two lines. The box on the right is gray with a black border and contains the text 'TopicAliasing'. A black arrow points from the right side of the gray box to the left side of the white box, indicating a dependency or relationship from TopicAliasing to the dense matrix and array manipulation.
