

Dense matrix and array
manipulation

TopicStorageOrders

```
graph RL; TopicStorageOrders --> DenseMatrix[Dense matrix and array manipulation];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The box on the right is shaded gray and contains the text 'TopicStorageOrders'. The box on the left is white with a black border and contains the text 'Dense matrix and array manipulation' on two lines. A black arrow points from the right box to the left box.
