

```
Eigen::internal::conditional  
<!Cond, const T &, CwiseUnaryOp  
< scalar_conjugate_op< traits  
  < T >::Scalar >, T > >
```

The diagram consists of two rectangular boxes. The top box is white with a black border and contains C++ code for `Eigen::internal::conditional`. The bottom box is gray with a black border and contains C++ code for `Eigen::internal::conj_expr_if`. A blue arrow points from the top of the gray box to the bottom of the white box, indicating that `conj_expr_if` is a specialization of `conditional`.

```
Eigen::internal::conj  
_expr_if< Cond, T >
```
