

Eigen::internal::default
_packet_traits

```
classDiagram
    class DefaultPacketTraits["Eigen::internal::default_packet_traits"]
    class PacketTraitsT["Eigen::internal::packet_traits<T>"]
    class PacketTraitsConstT["Eigen::internal::packet_traits<const T>"]
    PacketTraitsConstT --|> PacketTraitsT
    PacketTraitsT --|> DefaultPacketTraits
```

The diagram illustrates the inheritance hierarchy of packet traits in Eigen. It consists of three vertically stacked rectangular boxes, each divided into three horizontal sections. The top box, labeled 'Eigen::internal::default_packet_traits', is white. The middle box, labeled 'Eigen::internal::packet_traits< T >', is also white. The bottom box, labeled 'Eigen::internal::packet_traits< const T >', is shaded gray. A blue arrow points from the top of the middle box to the bottom of the top box. Another blue arrow points from the top of the bottom box to the bottom of the middle box.
