

Eigen::internal::default  
\_packet\_traits

The diagram consists of two rectangular boxes. The top box is white with a black border and contains the text 'Eigen::internal::default' on the first line and '\_packet\_traits' on the second line. Below this box is a horizontal line, followed by another horizontal line, and then a third horizontal line, creating three empty rectangular sections. The bottom box is gray with a black border and contains the text 'Eigen::internal::packet' on the first line and '\_traits< double >' on the second line. Below this box is a horizontal line, followed by another horizontal line, and then a third horizontal line, creating three empty rectangular sections. Five blue arrows point upwards from the top edge of the gray box to the bottom edge of the white box. The arrows are evenly spaced and point towards the center of the white box.
