

Eigen::internal::default
_packet_traits

The diagram consists of two rectangular boxes. The top box is white with a black border and contains the text 'Eigen::internal::default' and '_packet_traits' on two lines. Below it is a gray box with a black border, also containing text on two lines: 'Eigen::internal::packet' and '_traits< std::complex' on the first line, and '< double > >' on the second line. Five blue arrows point upwards from the top edge of the gray box to the bottom edge of the white box, indicating inheritance or specialization.
