

```
Eigen::internal::promote  
_scalar_arg_unsupported  
< ExprScalar, T, ExprScalar >
```

The diagram illustrates inheritance. A light gray box at the top represents the base class, and a darker gray box at the bottom represents the derived class. A blue arrow points from the top of the derived class box to the bottom of the base class box, indicating that the derived class inherits from the base class.

```
Eigen::internal::promote  
_scalar_arg_unsupported  
< ExprScalar, T, PromotedType,  
  false, true >
```
