

```
Eigen::internal::random  
_default_impl< Scalar,  
NumTraits< Scalar >::IsComplex,  
NumTraits< Scalar >::IsInteger >
```

The diagram consists of two rectangular boxes. The top box is white with a black border and contains the text 'Eigen::internal::random_default_impl< Scalar, NumTraits< Scalar >::IsComplex, NumTraits< Scalar >::IsInteger >'. It is divided into three horizontal sections by two thin black lines. The bottom section is empty. The bottom box is gray with a black border and contains the text 'Eigen::internal::random_impl< Scalar >'. It is also divided into three horizontal sections by two thin black lines. A blue arrow points from the top of the bottom box to the bottom of the top box, indicating a specialization or inheritance relationship.

```
Eigen::internal::random  
_impl< Scalar >
```
