

Eigen::internal::traits
< PlainObjectType >

```
graph BT; A["Eigen::internal::traits<Map< PlainObjectType, MapOptions, StrideType > >"] --> B["Eigen::internal::traits< PlainObjectType >"]
```

The diagram consists of two rectangular boxes. The top box is white with a black border and contains the text 'Eigen::internal::traits' followed by '< PlainObjectType >' on the next line. Below this text are two empty rectangular sections, one above the other. The bottom box is gray with a black border and contains the text 'Eigen::internal::traits' followed by '< Map< PlainObjectType, MapOptions, StrideType > >' on the next two lines. Below this text are two empty rectangular sections, one above the other. A blue arrow points from the top center of the gray box to the bottom center of the white box.
