

```
Eigen::internal::traits  
< Map< _PlainObjectType,  
_Options, _StrideType > >
```

The diagram illustrates an inheritance relationship between two Eigen traits. A light gray box at the top represents the base trait, `Eigen::internal::traits< Map< _PlainObjectType, _Options, _StrideType > >`. A blue arrow points upwards from a darker gray box below to the bottom of the light gray box, indicating that the bottom box inherits from the top one. The bottom box contains the text `Eigen::internal::traits< Ref< _PlainObjectType, _Options, _StrideType > >`.

```
Eigen::internal::traits  
< Ref< _PlainObjectType,  
_Options, _StrideType > >
```
